

zoom VIRTUAL LIVE LESSONS

STEP 1 | Get Ready

Get your computer and music prepared...

- Set up your Computer Device so you and your instrument are in view
- Have your music binder, books and/or sheet music ready
- If you're playing/singing along with trax...make sure your music/MP3s/Youtube are all ready, set up and working on your playback device before logging in

STEP 2 | Login

Start logging in a few minutes before your scheduled lesson time...

- Goto www.coastalmusicstudios.com/OnlineLessons
- Click on Your Teacher's Name
- Follow online directions to launch ZOOM *(it's free for you to install & use)*
 - If asked...allow your browser to install the ZOOM App
 - You may also need to allow ZOOM to access your camera and microphone
- You'll be placed in a virtual 'Waiting Room' until your teacher starts the lesson

STEP 3 | Have A Super Fun Lesson!!!

- Once your teacher welcomes you into the lesson, they'll make sure you can each hear and see one another and you be rockin' & rollin'

THE TECH STUFF YOU NEED:

- Stable Internet Connection
- Computer Device
 - 1st Choice....Laptop, Chromebook or Desktop Computer w/ Webcam
 - 2nd Choice....iPad, Tablet or Phone
- Bluetooth Speaker or CD Player to play MP3s if you're singing/playing to trax *(you can also playback MP3s in a separate app/window on your computer)*
- Headphones w/ microphone attached *(like we use with our phones)*
